

WAS Entrance Scholarships

Entrance scholarships are available to international students studying at WAS for one year programs of Marketing and Media or Mountain Sport Technician

Please note

- Applications for the Entrance Scholarships should be attached to the general WAS Online application form or submitted via email.
- Remember - SIGN THE SCHOLARSHIP APPLICATION FORM, submit your essay and references. (the paper original is *not* required)., You may also drop applications off in person.

Tips to help you get a head start

- Review the application form. This will help you prepare your application and determine your eligibility.
- Prepare a personal statement that introduces yourself and includes your educational and career goals. There is no minimum length, but should include the basis of your current situation and the reason for your need of a scholarship.
- Ensure it includes a comprehensive description of your activities and involvements:
 - Your letter and reference must outline your leadership and service record, including areas such as volunteer positions, community organizations, sports and athletics, music and art, clubs, travel, etc. Essentially any activity which has developed your character, leadership abilities, goal orientation, and passion for learning are relevant.
 - We are looking for both accomplishment and altruism, and are interested in the impact of your activities on people and communities, which may not necessarily correspond to the volume of activities. Please describe the nature and duration of each involvement.
 - Please see the application form for full eligibility requirements for each award.
