SKI/SNOWBOARD GUIDE TRAINING

6
MONTH
PROGRAM

Enrolment Month: November

One of the few courses in North America and Canada to teach a true backcountry ski guide training program. Throughout this 6 month winter program, students have the opportunity to develop their backcountry skill set.

An on-snow and hands-on program that teaches students in depth backcountry skills including backcountry route planning, crevasse rescue, avalanche safety training and guiding amongst many other exciting elements. Throughout the program, students train in alpine terrain, building a resume of trips and backcountry experiences that also supports preparing for an ACMG/IFMGA Ski Guide level, if chosen.

Program Outcomes

- Backcountry ski/snowboard touring and high elevation glacier touring
- Steep skiing and glade steep skiing
- Route planning, navigation and forecasting for backcountry guiding trips
- Relevant rope work and climbing skills
- Crevasse rescue with teams and self-rescue
- Rappelling from rock horn anchors into couloir
- Winter camping skills
- Risk Management protocols and safety for clients

Entry Requirements

- Minimum 18 years old
- Minimum English: Intermediate (CEFR-B1)
- All students must be at an advanced skier/snowboarder level with their own touring set up prior to starting the course
- Special Equipment may be required*
- Students will require a Whistler Blackcomb or Epic seasons pass (not included in program price)

Courses	Hours
Ski/Snowboard Guide Level 1	22.5
Ski/Snowboard Guide Level 2	67.5
Ski/Snowboard Guide Level 3	67.5

Program	Cost
Tuition Fee Domestic	\$7,500 CAD
Tuition Fee International	\$7,500 CAD
Application Fee	\$250 CAD
Textbook Fee	\$75 CAD
Technical mountaineering equipment rental (optional)	\$150 CAD
Trip Fees	Up to \$450 CAD

Certifications Obtained

PTIB Accredited Diploma
Canadian Avalanche Safety Levels 1 and 2 (AST1 and AST2)

Sample Course Schedule

Full day intensive sessions with scheduled breaks for training and full-time work allowance. Students have 6 months to complete all courses.

**See your WAS representative for full requirements.*
